AUSTRALIAN DEFENCE FORCE TRACKERS & WAR DOGS ASSOCIATION

NEW BOOK RELEASE

Seek! is a 48 page tribute to the Australian tracker dogs that served in the Vietnam War.
In full colour with more than 120 photos (black & white as well as colour), maps and illustrations, this book gives:

* an overview of the Vietnam War and the service of the Australians who were deployed there; and
* the role of the eleven dogs that were part of the combat tracker teams that operated during Australia's commitment from 1966 to 1972.

Seek also features the role of dogs in today's Australian Defence Force.

Suitable for young readers and interested adults.
